

A New Day for Tatnall

The
Fund for
TATNALL

CASE FOR SUPPORT

Advancing Our Advantage

Why Give to The Fund for Tatnall?

The Annual Fund is an essential revenue stream.

The Annual Fund bridges the 20% gap between Operating Revenue, driven by tuition, and the Operating Expenses necessary to operate a world class institution. The Annual Fund also complements Tatnall's \$24 million endowment, which is invested for long term growth and consistently funds Tatnall programs.

Annual Giving is a way of saying "Thank You". The students of today enjoy an experience that was built upon the generosity of those that came before. Gifts to the Annual Fund are a way of honoring that legacy, but also building a better Tatnall for the students of tomorrow.

Annual Giving makes an immediate impact on the Tatnall experience.

A healthy Annual Fund allows us to be nimble. It encourages investment in innovation and specific programs. It enables us to respond to both challenges and opportunities as they arise.

Annual Fund gifts are unrestricted, meaning they can be spent at our discretion to enrich the lives of our students and faculty. The Annual Fund also provides resources for the Head of School to plan our future and ensure that Tatnall remains a dynamic school community that values inclusivity, innovation and excellence.

Tatnall is a great school and great schools inspire philanthropy. A high "Giving Percentage" is a vote of confidence in the institution. Participation in Annual Giving greatly assists us in demonstrating strength and unity, which we use to impress Foundations and even prospective families.

The Impact of the Annual Fund

Annual Fund Gifts can be funneled into unique areas of Tatnall (e.g. Arts, Athletics, Financial Aid) as determined by the affinity of each donor. Those gifts are still unrestricted, but they are intentionally designated to fund the budgets of those departments during the following school year to improve their programs.

Gifts may also be directed to "Tatnall's Greatest Need", which is our favorite designation. Such gifts are often spent on essentials, like our campus and physical plant, but also on the fun stuff like professional development and student experiences.
