# The Tatnall School

## College Profile

2024-2025

### THE TATNALL MISSION

We value curiosity, we foster perseverance, and we cultivate citizenship – all to engage the world with commitment and integrity.

### CAMPUS AND COMMUNITY

Tatnall is located on the western edge of the City of Wilmington, where residents have easy access to major mid-Atlantic cities, the resources of the University of Delaware, and other area post-secondary institutions. The campus resides on an environmentally-diverse, 110-acre campus with access to a 90-acre Downs Conservancy, three nationally-certified Schoolyard Habitats, a registered arboretum, and 2.25 miles of maintained nature trails. Tatnall draws students from New Castle County, Delaware, and southeastern Pennsylvania, as well as southern Delaware and neighboring New Jersey and Maryland.

### CURRICULUM

Tatnall offers a rigorous college-preparatory curriculum with Advanced, Advanced Placement (AP), and Honors-level courses. Students are expected to take at least six courses per term. Advanced and AP classes are typically not offered until the junior year, and we recommend that our students hold the number of advanced/AP/honors courses in any given year to three. Students may take more than three advanced/AP/honors courses only after extensive consultation with their academic advisor.

Tatnall is switching from trimesters to semesters beginning with the 2024-2025 academic year. Prior to 2024-2025, full year courses were given three credits, and one-term courses were given one credit on the transcript. For fall 2024 and beyond, full year courses will be given one credit, and semester long courses will be given 0.5 credits.

**CUMULATIVE GPAS FOR CURRENT SENIOR CLASS**

(through June 2024)

**GRADING**

Tatnall computes weighted cumulative GPAs on a four-point scale. It includes grades from all major academic subjects and both Junior Portfolio and AP Studio Art taken at Tatnall but does not include grades from other art, music, theater, or any courses taken at other schools. Courses with an advanced, AP or honors designation on our transcript receive a 0.33 boost in GPA value when those courses are averaged into the cumulative GPA. Beginning in the fall of 2024, courses with an AP or Advanced designation will receive a 0.5 boost in GPA value, and courses with an honors designation will continue to receive a 0.33 boost in GPA value.

Note: Tatnall does not rank.
